# 2023-2026 Strategic Plan

## Vision

---

Removing barriers to accessing legal services.

## Mission

---

Our volunteers help you understand legal procedures and complete paperwork. For free.

## Values

---

### *Empowerment*

We are committed to helping self-litigants to see their legal problems as life problems, and to take ownership and navigate those legal problems to resolution.

### *Respect & Humility*

We meet each client without judgment with a trauma-informed lens.

### *Collaboration*

We believe in the power of community and collaboration to promote access to justice.

## Goals

---

### *Building the foundation for our future growth.*

1. Create a sustainable funding strategy.
2. Increase awareness of services.
3. Recognize and build volunteer capacity.
4. Excel at meeting the needs of clients.
